CIRCULAR NO. 3

6th February 2023

ONLINE COURSES

GRADES 7 – 13

Dear Parents/Students,

It has been noted that **only sixty per cent (60%)** of our total number of students follow the online courses on days where school was closed due to torrential rain.

We point out that Online classes are carried out on google classroom and all students were given a code to get access.

We wish to draw the attention of all our stakeholders that part of the question papers that will be set for the 1st term exams in March 2023 will be based on the lessons taught during the online coaching.

The college will not bear any responsibility in the eventuality any student fails or obtains below average standard results for the said exams.

We appeal to parents to exert a strict control on the work at home of their wards on days of online teaching.

Students who have missed the abovementioned lessons can still catch up by seeking the help of their Educators on the missed topics.

With the collaboration of all parties concerned, the matter can be solved and the online coaching be a complete success.
