CIRCULAR NO. 5

23rd September 2021

VACCINATION CAMPAIGN FOR LEARNERS AGED 15 TO 17 YEARS OLD

Dear Parents/Students,

At a meeting held on Tuesday 21st of September 2021 at the MITD House at Phoenix, the Ministry of Education and Human Resources, Tertiary Education and Scientific Research in collaboration with the Ministry of Health and Wellness informed that they are launching a vaccination campaign for students of 15, 16 and 17 years of age.

The student should have been 15 years or above by the 31st of August 2021.

The Ministry of Education and Human Resources and the Ministry of Health encourage all students of 15 to 17 years old to avail themselves of the opportunity to be vaccinated **though this exercise is not compulsory**.

The date and appropriate time of the vaccination will be decided by the Ministries concerned and communicated to you accordingly. Vaccination will take place at school. The vaccine chosen for the students is **Pfizer-BioNtech**. It is a two dose vaccine and will be administered at 21 to 28 days interval.

Responsible Parties (either vaccinated or not) will be required to accompany their wards on the vaccination day to sign in the consent form. They should bring along their Identity Card and the birth certificate of their son. **It is of utmost importance** that you sign in the memo below specifying clearly which option you choose.

.....
V.R. BOODHOO
Rector

.....
S. RAMSAMY
Deputy Rector

.....
Y. CAULEECHURN
Deputy Rector

MEMO

We, Responsible Party and student, opt **to accept / not to accept** the vaccination offered by the Authorities concerned.

Delete (to accept or not to accept as decided by you and your ward).

TO BE DETACHED AND RETURNED TO AREA SUPERVISOR BY TUESDAY 28TH SEPTEMBER 2021
