03<sup>rd</sup> February 2020

Dear Parents,

Student Bryan Thomas Olivier NICLAIR of Imperial College succeeded brilliantly in his 2019 School Certificate exams.

In fact, he scored SIX CREDITS, and, is now following courses at Grade 12 (Lower VI) Level still at our school.

As revealed by the press (Television, Radios and Newspapers), this young student and his family are presently living in a metal structure erected on State Land in the vicinity of Malherbes at Curepipe. They have been compelled to evacuate the land and to pull down their house immediately, and, that order comes from the Ministry of Housing and Lands.

Fortunately, at the same time, they have been offered a concrete house, but, without essential amenities such as water and electricity amongst others. So, we are appealing to you, Responsible Parties, to give a helping hand to our needy student and his family.

In that context, we are raising A SPECIAL FUND on Friday the 07<sup>th</sup> of February 2020. You can send your donation (in money terms ONLY) through your ward.

We remind parents **that it is not customary** for us to raise such funds at Imperial College, but, you will understand that in such a stressful situation for our student and his family, we must all help.

Thank you so much on behalf of student NICLAIR.
