

Dear Parents/Students,

ONLINE COURSES: CODE OF ETHICS:

Imperial College is among the best secondary institutions so far as online courses are concerned.

We congratulate the majority of our students who are studying diligently. However, a few troublemongers (amongst learners) are grossly misbehaving. Some are even sharing the online link with students of other establishments who have very rude, dishonest and illbred conduct towards our educators.

We would like to remind all parties concerned of the following:

1. A new and more severe ICTA Act has been recently voted by our National Assembly.
2. This new ICTA Act recommends strong action against all defaulters using social media.
3. A rude conduct on same media, such as, use of foul words, sharing of unwanted and unlawful videos or photographs, carry the following penalties depending on the gravity of offences:

Firstly, a fine not exceeding two hundred thousand rupees (Rs 200, 000).

Secondly, an imprisonment period of not less than one year and more than two years.

Furthermore, the college reserves the right **to dismiss on the spot** any student guilty of the above charges, and, to refer the matter to the police for appropriate and prompt action.

Let us also remind all learners of the following:

1. Nobody should miss any online lesson in any subject.
2. You are at school through online courses up to the 17th of December 2021.
3. Imperial College link **should never be shared** to students of other colleges.
4. Parents and students will have to account for absences to these online courses.
5. In the case of Grade 11 and Grade 13 students sitting for the Cambridge School Certificate and Higher School Certificate exams, absences to the online courses will count for the eligibility to sit freely or not freely to these exams. Do not forget you need 90% of presence to sit free of charge to these exams. 90% presence include both presence at school (en présentiel) and online presence.
6. The college reserves the right to take action for any undue absence to online courses (except for illness) and misconduct as per its rules and regulations.
